

## UPDATING MORTGAGE INFORMATION FOLLOWING A DEATH:

---

*Add a court-appointed fiduciary to a deceased customer's estate*

---

We're very sorry for your loss and understand this may be a difficult time for you. You may have questions about handling the existing mortgage. Maybe you aren't sure where to start or what questions to ask. We're here to help you understand your options, depending on your situation.

For situations where a court has appointed an executor, administrator or personal representative for the estate of the deceased customer, that person may be authorized to receive information and make decisions about the mortgage loan.

Please use this kit to add the court-appointed fiduciary to the account. That will allow us to share account information with that person, including statements and correspondence. However, we cannot issue Form 1098 (Mortgage Interest Statement) if the account is managed by an estate. Contact your tax advisor for more information.

**If you have questions, call us at 1-866-299-6752;** we accept operator relay calls.

**THIS REQUEST DOES NOT  
CHANGE WHO IS  
FINANCIALLY RESPONSIBLE  
FOR THE LOAN.**

Si tiene alguna pregunta, por favor llame al 1-866-299-6752.

## FREQUENTLY ASKED QUESTIONS

---

### **Does owning a property and being liable for mortgage payments mean the same thing?**

No. You can be the property owner without being liable for making payments. However, the property is still subject to the terms of the mortgage, and payments should be made to keep the loan in good standing.

### **I would like to have financial responsibility for the loan — what do I need to do?**

Please call us at 1-866-299-6752. We will discuss your options with you.

### **Can I receive loan information if I'm not a family member?**

No, unless you are appointed as a fiduciary or successor trustee.

### **Why do you need proof of relationship?**

Protecting our customer's information is important to us. We need to verify your identity to protect against inappropriate use of the account.

### **What can I do with the property?**

If you're taking ownership of the property, you should make payments to keep the account in good standing. If you decide to pay off the account now or later, please call us and we will help you.

### **How do I know if the loan is up to date?**

We can provide the status of the loan and other secure information after we receive your documents and update the account.

### **What will happen if no updates are made to the account or no action is taken?**

The loan will go into default status, and the property will be at risk. If you expect difficulties making payments, call us to see what assistance options we can offer.

### **Can I provide photocopies of the documents you are requesting?**

Yes, we will accept copies. If you're having trouble finding the death certificate, we may be able to help you locate it. Please call us.

Contact the recorder's office for the county where the property is located.
