

Making a Chase Payment

STEP 01/06

Select your Account

Log in to the Chase Mobile® app. Choose the account that you would like pay. For example, if it is your Chase Credit Card, you would tap “Pay Credit Card”.

STEP 02/06

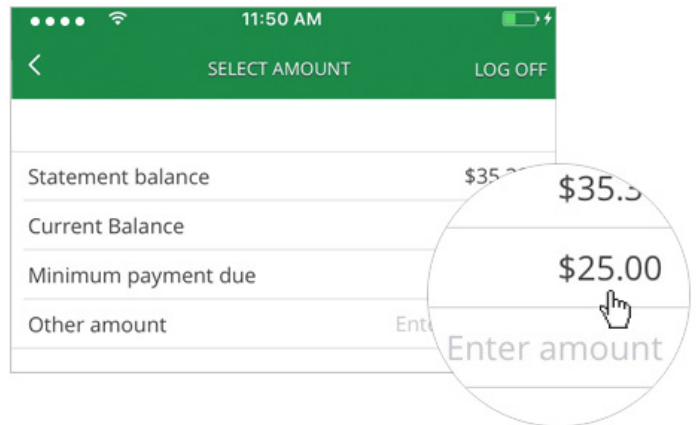

Complete Payment Details

On the next screen, choose the account that you want to make the payment from and the payment date. Then, tap “Select amount” to view payment options.

STEP 03/06

Choose Payment Amount

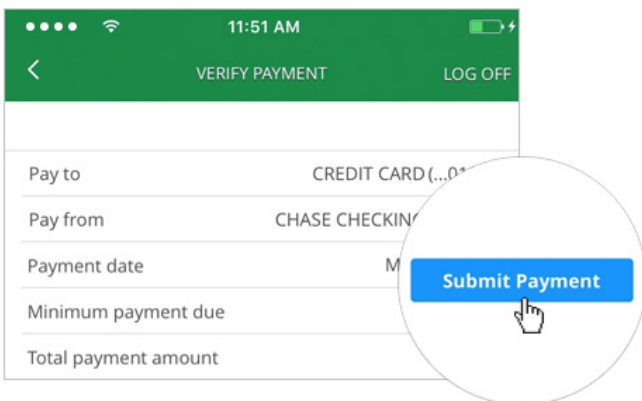

Select the amount you would like pay or enter a different amount.

STEP 04/06

Verification

Please review to verify the information is correct before tapping “Submit Payment”.

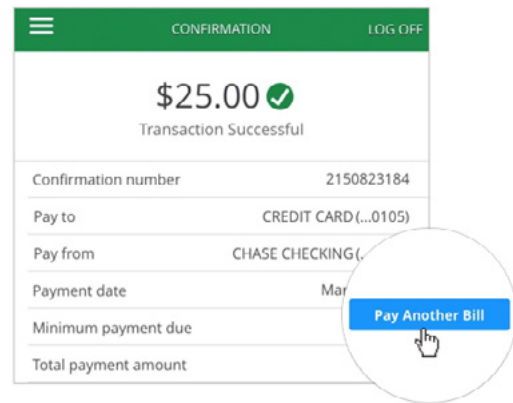

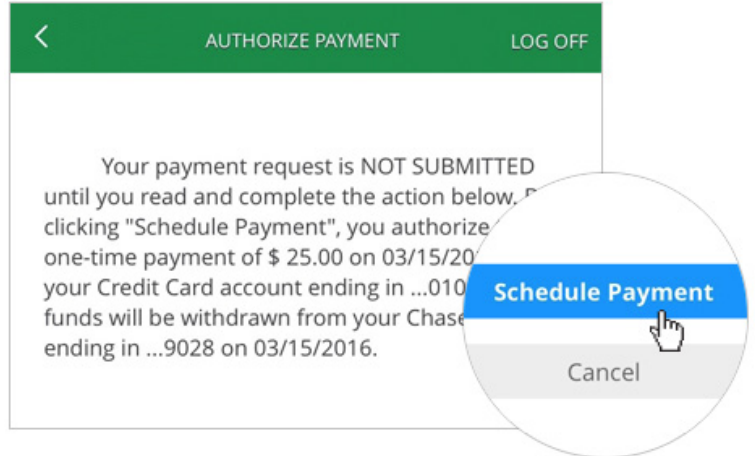

Making a Chase Payment

STEP 05/06

Authorize Payment

You'll receive an authorization message. To authorize payment, tap "Schedule Payment".

STEP 06/06

Confirmation

You'll receive a confirmation that your transaction was successful. If you would like to make a payment to another Chase account, tap "Pay Another Bill".
